In\$ite, U. S. Patent No. 5,991,741

¹ Other Schools enrollment is a combination of enrollment for a few schools classified as Other and of locations for Summer School or Adult Ed with a token enrollment of 1 per location. \$ per pupil is not calculated for this category.

² Non-School enrollment is for Students Served Out-of-District. However, the \$ per pupil is not calculated because the Non-School expenditure includes all district level costs, not just those for Out-of-District students.
